ISDUP APRIL 2021 BULLETIN

April 8, 2021

Regional Representatives, Company Presidents, and Daughters of Utah Pioneers:

Greetings to all!

We hope you had a wonderful Easter and are now enjoying some spring weather.

A few days ago we were having a meeting at our Museum in the Lecture Room. On the west wall there is a stunning stained-glass window depicting a pioneer mother and her two daughters. As the evening turned into night, the brightly colorful stained glass became darker until it was black and lifeless. When the sun went down, there was no light to bring color to the glass.

The key to the beauty of the window is the presence of light. This is also true for Daughters of Utah Pioneers. The light from each member in the form of service, positivity, enthusiasm, and kindness brings out the beauty and color of our work in preserving the history of our pioneer ancestors. Regional Representatives and Company and Camp officers inspire their local groups in many positive ways and encourage them to build the organization and carry on with strength. We thank you for all the effort you have put forth in magnifying your service to bring light to the association and its members.
