Spring 2016

The President's Pen

Dear Daughters,

We recently celebrated our 115th Birthday. I am feeling very old; that may be in part because I made the mistake of taking a vacation in February to Texas. Texas in February was wonderful — warm and beautiful, but I have not learned how to vacation. Vacationing was not high on my list of need-to-know experiences. Getting there I think was the problem. When flying you cannot control who sits around you and you have no escape from those coughing around you. I came home a week later with the crud and a cough that stayed with me for two months. I tried not to share but it did get loose from my office. Sorry ladies.

Maurine P. Smith

The Birthday Celebration Open House was wonderful, with beautiful table decorations and delicious refreshments. This party was sandwiched among the "Day's of '47" Royalty Pageant, the ongoing area conventions, and a few marker dedications.

Now for the not so good news. We have tried to hold off raising the International dues and the cost of *Legacy* and lessons for as long as we could. Making *Legacy* available online has helped considerably. We all know that the price of bread has changed in the past 30 years and that is how long it has been since we raised dues. Beginning with the new DUP year, June 1 dues will increase to \$15. You may remember we announced in the Winter *Legacy* that the price of the lessons has increased for next year. You received the new order form with the May lesson. The form can also be found on the website, www.isdup.org, under Membership. We found that we have been supplementing your lessons for a while now. With this increase, we will be breaking even. I am giving you this information so that you can better plan ahead with your camps to revise their budgets and allow for this increase.

The Friday before LDS General Conference, we had a large — I mean a large — group of Chinese visitors from Taiwan at the museum. They are organized similar to DUP, to do as we have done to write, collect, and translate as needed the pioneer histories of their forefathers' stories and migration to this country. Many of them still only speak Chinese and their descendants only speak English. So they are taking on an important work to accomplish. They are so appreciative of what our organization has accomplished, and they hope to do as well. It is their 60th anniversary since the Gospel had been taken to their country. This was a big day for them, and they chose to share it with us at our museum.

We are gearing up now for the Leadership Seminar on June 4th at Davis Conference Center in Layton, Utah. I am sure that your company leaders are making plans to attend. Be aware that we do have departments for Outreach, Music, Satellite Museums, *Legacy* Reporters and Publicity, as well as all elected officers. I will be sending the presidents a letter with details soon. I have arranged an outstanding fiddling group for the pre-show entertainment.

Mark your calendar now for October 8th to come to International DUP Convention and learn of the beginnings and evolution of music in the LDS Church from our outstanding speaker Robert Bowden. You will be delighted and enlightened.

An update on other items of interest:

1. Our daughters did such a great job of harvesting the tree seeds; we will have a bumper crop of Brigham's Black Locust Trees for sale at seminar. Sale price is \$5 to \$10 per tree, ready to plant.

2. FamilySearch is progressing very well. They have finished the manuscript histories and are starting on the photos. There were about six months more histories than expected. The photos go slower but there are not so many photos as histories. Finish date is still undetermined.

You will notice that we have double the Memorial list this time due to a mistake in the last issue. You will be pleased to know that we receive three times the number of applications for new memberships in the same amount of time so we are a growing organization.

To help you plan ahead for the summer: July 4th, of course, is a fun community celebration and the 24th of July will be on July 25th this year, which means that we will have two July 24ths and no 25th of July. Check and correct your calendar with that bit of confusing information. You do remember that we always have a large Open House here at the museum following The Days of '47 Parade. We usually entertain about 500 to 600 people with pioneer music, demonstrations, and refreshments. Refreshments will be "homemade" bread and butter (our guests help churn the butter). It is an exciting, exhausting day. We would love to have you join with us. If you cannot, be sure to celebrate wherever you are for two days with your family, remembering why we are who we are, Daughters of Utah Pioneers, "Daughters of the Future — Keepers of the Past."

See you at Seminar on June 4th,

COMPANY JUBILEES

“Quilts” — **Salt Lake East Bench Company**, Salt Lake City, UT. Jubilee was a quilting service project and donation.

“Once Upon a Time” — **Lincoln Company**, Star Valley, WY. Jubilee featured pioneer ancestor stories and a short play “No Matter How Thin You Make a Pancake, It Always has Two Sides.”

Note: For the full stories and other creative ideas for Jubilees go to www.isdup.org/Education/Jubilees.

COPPER HILLS CAMP 1966-2016

Copper Hills Camp, Salt Lake West Company, Utah, was excited to celebrate 50 years as a camp. We also honored two original members, Marge Petty and Carma Nicol, and presented them with their 50-year pins. We presented one of our daughters, Ester Oliverson, with her 30-year pin. Marge Petty recounted how the camp began and how they picked the name for the camp. Carma and Ester talked about camp meetings of the past. A poem, taken from our “Book of the Past,” was handed out to each daughter. Pictures were taken and a card was signed by all daughters that will be added to our camp book. We sang happy birthday to our camp and a beautiful birthday cake was served.

LONE STAR BLUEBONNETS

Residents of the Heartland Nursing Home with their new lap quilts

On November 7th, 2015, the **Lone Star Bluebonnets**, Tarrant Company, Tarrant, Texas met at the Heartland Nursing Home of North Richland Hills, Texas and distributed 78 lap quilts to the residents. The camp daughters had been hard at work all summer preparing the lap quilts for this occasion. These are residents who do not have any living or available families to provide the extra needed comforts that make life so much more enjoyable. The Activities Director, Andie Shelton, brought in 14 residents who could leave their rooms and accept the lap quilts on behalf of the other residents. Camp captain Velda Reed introduced

the camp and explained that the lap quilts were gifts to each of them. One resident, who is almost 100 years old and unable to leave her room, requested that we come to visit her so that she might say thank you in person. Everyone who participated left with a warm heart proving that “when ye are in the service of your fellow beings ye are only in the service of your God.”

LAST LIVING McCUNE GRANDCHILD

As the **Taylor Creek Camp**, Bonneville Company, Idaho Falls prepared for the 2015 lesson on the McCune family, someone in the group reminded lesson leader Mary Jane Anderson that many in the camp knew someone related to the McCune family. Liz McCune Dee was invited to attend both lessons on the McCune family and the McCune mansion. Liz was able to add some interesting stories and facts about her grandparents, Alfred and Elizabeth Ann Claridge McCune. It was discovered that Liz is the only living grandchild. Her parents were both gone by the time she was 6 years old. Her aunt, Jacketta McCune Quealy of San Francisco, raised Liz.

SQUAW PEAK CAMP

The daughters of **Squaw Peak Camp**, Maricopa West Company, Phoenix, Arizona were asked to bring a photo of one of their pioneer ancestors to their camp meeting. Upon arrival at the home of their hostess, Darla King, they were surprised to find that her husband had pulled, by hand, into their back gardens an authentic 1800's farm/freight covered wagon which they had recently purchased in Chino Valley, Yavapai County, Arizona. It's believed that this wagon is likely similar to one that his mother's family relocated in from Mesa to Prescott in approximately 1918 after having migrated from Utah to Arizona in covered wagons in the early 1890s. Each daughter is holding a photo of their pioneer ancestor.

JOHN CARVER CABIN RESTORED!

Thank you to **Pat and Steve Smith** for your outstanding volunteer service over the past three years on the John Carver Cabin Museum in Plain City, Utah. They obtained monetary donations, grant money, and rock and supplies donations. They found people to temporarily move the cabin, pour the concrete, add new logs, and fix the wall. They spent countless hours of hard work restoring the entire cabin inside and out. They did all of the work, including doing the research of what needed to be done — securing the cabin to the foundation, working on woodwork on the inside and outside, adding a new chimney, fireplace, floor and hearth. They also caulked, painted, stained, cleaned, labeled, and documented artifacts and photographs. They were true pioneers on this project. The **Plain City Camp**, Weber Northwest Company, appreciate their preserving this historic cabin for future generations!

ADVOCACY DAY AT THE CAPITOL

The Daughters of Utah Pioneers participated in the annual **Advocacy Day** at the Capitol on February 23, 2016. On this day museums meet with legislators and other museums throughout the state to explain the problems museums have and to thank legislators for their support.

The Daughters of Utah Pioneers had two tables in the rotunda. At the Pioneer Memorial Museum table, LeeAnne Whitaker churned homemade butter and served bread and butter to those who stopped by to learn more about the museum. The Weber County DUP Museum

and the Henefer Museum shared a table. Ogden was the morning shift. Henefer was the afternoon shift. Each group brought their own posters for display during their shift.

Those from ISDUP meeting with legislators and networking with Utah Museum Association officers were Maurine Smith, Jeanie Bowerbank, LeeAnne Whitaker, Kay Ann Saxton, Verna Hazelbaker, and Maryanne Jensen.

Markers

DAUGHTERS, GET YOUR 'SHERLOCK' ON!

by Katherine Brimhall,
ISDUP 4th VP and Markers Director

Vandalism and theft of bronze plaques is occurring far too frequently. Many companies and camps have had to replace markers. ISDUP purchases the original marker. If your marker is stolen, your camp or company pays for the replacement. ISDUP can assist in ordering a replacement marker that thieves cannot sell for salvage.

The top priority right now is to check the marker's condition. Is the plaque missing? If the answer is yes, then report it to ISDUP. Is the plaque loose? Get it repaired! Is the mortar loose or missing? Please make the needed repairs. If a stone is missing replace it with stone of similar size and type. If those wicked weeds have infested the area, please remove them. Graffiti? Targeted by birds? Weathered or water stained? Arm yourselves with buckets of soap and hot water and use a little elbow grease. Let your daughters, children, grandchildren, or Scouts assist. Please beautify our markers and check on them often. In the spring, plant wildflowers, perennials, or annuals but only if there is a source of water. Maintaining ISDUP markers is a legitimate use of DUP funds. Any DUP markers in your area are your responsibility for maintenance. Thank you for your support in taking care of these lovely markers that commemorate our pioneer heritage.

Pioneer Tribute

By Lois Ann Taylor, J Wylie Thomas Camp
Utah South Center Company, Spanish Fork, Utah

O, Pioneer ladies,
So brave and strong,
Paved the way
For the future throng
By founding this group
Known as DUP.
We've all become searchers
Of our history.
We enjoy all the stories,
And appreciate all you gave,
The trials and the hardships,
The road you did pave.
We'll all do our best
So remembered you'll be.
Your strength to endure
Is a great testimony.

LAURA JEFFERSON'S QUILT

Laura Fawcett Jefferson brought the most interesting artifact to DUP. She is a member of our Desert Rose Camp, Salt Lake North Company, Utah and grew up in DUP. Her mother and friends lived in the Salt Lake Avenues. Many of their mothers were part of Camp 21 who faithfully attended daytime DUP camp meetings. Their daughters felt left out and determined to join together in the evening and have their husbands watch over their children while they attended DUP, thus **Desert Rose Camp** was organized in 1973. As each daughter purchased a home to grow their young families in, they found themselves dispersed throughout the Intermountain area. They continue to take turns hosting camp meetings and socials in their homes and faithfully rotate board positions to share the load, perpetuate their camp, and the mission of DUP.

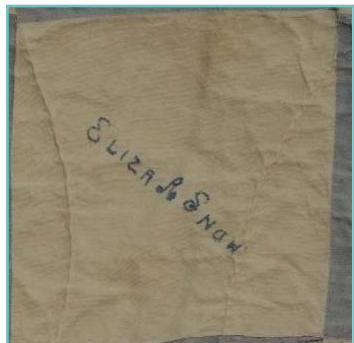

Laura Jefferson displays her antique quilt at a meeting of the Desert Rose Camp

Laura joined DUP and began attending the Deseret Rose Camp 13 years ago when she was 21 years old. She's since married, taken her turn as camp vice and captain, served on the Salt Lake North Company board, and will deliver her third child next month.

Nurtured in DUP and by her mother's example, she was keenly aware of the value of an old discarded quilt found in 2012 in her husband's grandmother's attic in Monroe, Wisconsin. His grandmother La Vaun Smith Jefferson was born in Centerville, Utah. The quilt was soiled and had been chewed on by rodents, and no one in her husband's family wanted the thing. Laura did. It was given to her and thus began her research. She displayed it as an artifact at our company jubilee earlier this year. Last week, it was her turn to present a history at our camp meeting. Instead, she thrilled us with the story and research of her treasured quilt.

Created by members of the Centerville 1st Ward Primary during the 1928 jubilee year of the organization of the first primary (1878) in Centerville, Utah, our camp considered the quilt a treasure. Laura's participation in DUP and her research into her recently acquired quilt is a stellar example of the caliber of younger women bolstering DUP.

MARILYN BENNETT HONORED

On Saturday, March 5, 2016 at the Annual two-company Convention, **Marilyn Bennett** was awarded the rarely given 50-year pin for membership in the Daughters of the Utah Pioneers. The camp she currently belongs to is the Emma Tolman Riley Camp, which is a division of the Bountiful East Company. The Award was presented to Mrs. Bennett by Juanita Price, the Captain of the Emma Tolman Riley Camp. Mrs. Bennett and her husband live in Bountiful, Utah. Congratulations to her on this great achievement.

BETTY JONES RECEIVES PIN

Betty Jones of the Sunflower of Timpanogos Camp, Wasatch Company, recently received her 60-year pin. Betty joined the Hawthorne Camp Nov 12, 1952 and later transferred to the Sunflower of Timpanogos Camp. Her grandfather Christian Burgener arrived in Utah with his family in 1864 with the George W. Snow Company. They were good citizens and successful farmers and stock raisers. They also helped protect the community from Indian attacks. Betty married James R. Jones and they have five children. She has always been active in DUP, the community and church. She currently serves as a docent at the Pioneer Memorial Museum.

Pioneer Mysteries

This photo is a little different from our usual Pioneer Mystery. We know (assume) that her name is Alta Adams, but we have no other information on her. The photographer was C. T. Cornwall, Photographer, Moore's Block, 146 Chicago Street, Coldwater, Michigan. We would love to receive any more information that anyone might have on her.

Daughters' Memorial

The Memorial list may look larger than usual in this issue. It is because there was an oversight in the last issue. The Memorial list in the Winter Legacy was a reprint from the Fall 2015 Legacy. We are catching up by combining both the Winter and Spring lists, so that is why the list looks bigger this time.

Outreach Programs

HOT MEAL!

Camp Cottonwood of Smoot, Wyoming recently participated in an outreach project in conjunction with their December, 2015 camp meeting. The project started with a visit to the Welcome Center for the Star Valley Temple that sat in front of the construction site. A camp daughter attended Family Home Evening (FHE) there to learn more about the temple construction. During the FHE, it was determined that there were about 65-70 men currently working on the temple. Star Valley was blanketed in snow, and the temperatures had been very, very cold. As so many workers were away from their families, it was decided to provide a hot meal of soup and rolls to all the workers during the holidays. The lunch was provided on site so that the workers could take their normal lunch break in the Welcome Center. Each daughter that partic-

ipated helped with serving the food and had time to visit with the workers about their families, their homes, and their work on the temple. The highlight was seeing the enthusiasm from everyone about the temple. A great day was enjoyed by all.

Those participating were Sylvia Fuller, Helen Merritt, Ginger Parks, Judy Shumway, Gay Lynn Cole, Leslie Tippetts, Laura Wilcox, Rollien Rausch, Diana Coles, and Tammy Gardner.
