

Honorary Heritage Section

MEMBERSHIP REQUIREMENTS

To qualify for membership in the "Honorary Heritage Section" of International Society Daughters of Utah Pioneers, you must first show ISDUP membership of three or more generations, including yourself, on your direct ancestral line. This direct ancestral line would be on either your maternal or paternal line. You may skip a generation, but cannot cross from one line to the other. Membership of ancestors, living or deceased, will be counted.

To belong to this elite section begin by searching records of your direct ancestral line for ISDUP members. This includes daughter, mother, grandmother, great grandmother or great-great grandmother, but not aunts or sisters. ISDUP registration numbers should be included on the form whenever possible. In addition, all application forms should include the full name of the applicant and full names of all qualifying ancestors. By full name we mean all given names, middle names, maiden name and all married names. Our membership files show many women who have the same given and married name. When the full names are given processing of your application is facilitated.

* Please include a \$2.00 fee for postage and handling along with the completed Honorary Heritage Section Application form.
